Wedding Receptions at the Crown Inn

Our experienced and creative team will be delighted to organise your special day so that it is exactly tailored to both personal requirements and budget.

The Crown Inn is an idyllic setting as a wedding reception venue, tucked away in the unspoilt, picturesque and quintessentially English village of Broughton, within easy travelling distance of Huntingdon, St Ives, and Ramsey.

Located directly opposite the stunning 14th century Broughton All Saints Church the Crown Inn is surrounded by countryside and set in splendid spacious grounds, which can accommodate marquees for up to 200 guests.

Alternatively our charming grade II listed pub is available for more intimate events, and we are happy to arrange sole use of the building and grounds for your special day.

We are able to provide an individual, imaginative and complete service including marquees, food and drinks, flowers and decoration and also entertainment as well as professional and dedicated staff.
